

## PLAN CAMPAIGN TO FREE NEGROES

Communists to Center Efforts  
in United States in Ex-  
tending Work.

MOSCOW, Dec. 1.—(By the Associated Press.)—The Third International has adopted a resolution declaring that the United States is destined to play an important part in the struggle of the African race for liberty and that inasmuch as America today is the center of the negro culture of the world it is in that country that the Communist campaign to bring freedom to the negroes of all countries should be conducted. The resolution was drawn up by a special committee of the International appointed to consider the negro question. One member of the commission was an American negro who has been very active in championing the cause of his race. He has been aided by several whites in the United States. The resolution, which was adopted without a dissenting vote, declared that the negro question has become a live issue in connection with efforts toward a world revolution and that the Communist International, recognizing it as such, calls attention to it as a problem which must be dealt with.

### TROSTES OF MOUNT ZION CHURCH HOLD BANQUET

The annual Thanksgiving banquet given by the trustees of the

Mount Zion Baptist Church was held in the church last evening. An interesting program was given during the evening by the pupils of the Dunbar School. The first number consisted of a musical selection by the high school glee club. The Misses Naomi Smith and Virginia Washington gave an instrumental duet which was followed by a reading by Robert Barber. Thomas Phiker also gave a reading. A Thanksgiving tableau was presented by the pupils of the fifth grade following a vocal selection by the glee club. A reading was given by Dorothy Meade and a third musical number was given by the glee club previous to a short talk by the principal of the school, W. O. Armstrong. The final number of the program consisted of a musical selection by the glee club.

### Bunners' Ridge

Mrs. Mabel Carpenter visited relatives and friends in Fairmont several days ago.

M. Moran was a business visitor in Fairmont one day last week.

George Robe, Jr., visited here Sunday.

Mr. and Mrs. Harry Carpenter visited the former's father, J. B. Carpenter, Saturday night and Sunday.

E. T. Moran recently completed a carbide plant.

Earl Moran is suffering from a burned hand.

Mrs. A. Bunner is ill at her home here.

J. B. Carpenter is serving on the jury in Fairmont at present.

Odds and Ends sale will be held in the Ahern Building on Friday and Saturday.

## DEATH ENDS LONG CAREER OF MANN

Giant of House of Representatives Dies Quietly at His Home in Washington.

WASHINGTON, Dec. 1.—Death last night ended the career of Representative James Mann of Illinois, long rated as the giant of the House.

Returning here two weeks ago for the opening of the special session of Congress, Mr. Mann, who had served his people for upwards of a quarter of a century, took part in the preliminary work of the House. A week ago, however, he was forced to stay at home because of a cold which he failed to shake off. His condition at first was not regarded as serious, and it was not until yesterday afternoon, after pneumonia had developed, that it became alarming. Early in the evening he rallied, but there was a change for the worse as the night wore on. Shortly before midnight, with his wife and his physicians at his bedside, the veteran of many a congressional battle died peacefully.

News of Mr. Mann's death was a shock to the House, for few of his most intimate friends knew of his illness, beyond the statement that he had been confined to his home by a cold. On the eve of the House vote Wednesday on the Shipping Bill Mr. Mann wanted to get out of bed and go there to be counted on its side. He was told to stay at home and that while his wife

counsel would be helpful there were votes enough in sight and he would be paired. But his thoughts were constantly on the work of the House. His record of service through thirteen consecutive terms, or twenty-six years, had earned for him the reputation among friend and foe as the best informed man on the details of government that ever sat in either branch of Congress. He was sent back for a fourteenth term by the people of his district in the election last month.

Funeral arrangements had not been concluded at an early hour today, but it was understood that services would be held at the late representative's home in Chicago and that Mr. Mann would be buried beside his son there, who died four years ago.

## STANDARD OIL CO. BUYS TWO PLANTS

Mountain State Oil and Gas Company Sells Holdings to Rockefeller.

The Standard Oil Co. of New Jersey today took over the two filling stations of the Mountain State Oil and Gas Service Co. and will continue to operate the stations from this day on. The deal

had been pending for some time, but it became known only last evening that the deal had been closed and that the new owner would take charge today. The main filling station of the Mountain State company is located at Jackson street and Cleveland avenue, while the other station is located on Fairmont avenue at Ninth street.

The Mountain State Oil and Gas Service Co. was formed early this year by Ernest McCoy, B. F. Evans and W. D. Evans, and in March they had the Cleveland avenue and Jackson street station ready for business. The work on the Fairmont avenue at Ninth street station was completed early in June and the station was open for business June 6.

It is said that the Standard Oil will continue the operation of the

new stations in connection with their other holdings in this city. During the last year the company has opened high class filling stations in all the large cities in the state.

The purchase price for the local plants of the Mountain State company was not given out, but it is understood to be highly satisfactory to the local men. In addition to their filling stations the Standard Oil is planning a large storage station along the Belt Line Railroad on South Side. The permits for building storage tanks and other buildings needed have already been obtained from the city, and the work will be started in early spring and rushed to a speedy conclusion.

### FIRE DESTROYS COLLEGE

MONTREAL, a Dec. 1.—The Laval Dental College, connected with the University of Montreal, was practically destroyed by fire early today. The college, which is separated from the main building of the university, was valued at about \$500,000.

Officials are at a loss to explain the origin of the fire. Three men were injured.
